

Remember
how and why
you fell in
love.

Flirt with
your spouse.

Focus on
your spouse's
three *best*
qualities.

Forgive
quickly.

Tell each
other you
love one another
every morning.

Go on a
date with
your spouse
every week.

Hug, kiss,
and hold
hands whenever
you are *together.*

Go to bed
when he/she
goes to bed.

Make sex
a *priority.*

Do one
unexpected
nice thing for
him/her.

Focus on the
good instead
of the bad in your
marriage.

Encourage
and build each
other up.

Tell your spouse
how *glad* you
are to be married
to one another.

Look at
him/her
with love and
passion.

Thank God
every day for
your marriage.
